Marthe Le Van : Nature Style: Elegant Decorating with Leaves, Twigs Stone before purchasing it in order to gage whether or not it would be worth my time, and all praised Nature Style: Elegant Decorating with Leaves, Twigs Stone:

2 of 2 people found the following review helpful. Vivid nature design photo guide By T K Inspiring book on design and arrangement. For fresh and original interior decorating, art courses or design of plant materials not necessarily "Floral" . I purchased this for my reference materials for "green" wedding design planning. Photography is exceptional. Environmental design jump-starter. 2 of 2 people found the following review helpful. Five Stars By Donna Matheson Great book for anyone who loves the "nature" look.

Bring outdoor items indoors to create Instant art. Philadelphia Inquirer These 80 innovative and tasteful projects all use natural materials that you can gather yourself, and because each leaf, branch, or vine is unique, your creations will be truly one-of-a-kind. Start by showing off your finds in a relatively natural state: arrange lovely stones in a bowl, or place pussy willows in buckets by the fireplace. Then, make these elements more functional by turning twigs into placemats or leaves into curtain tiebacks. Collect greenery and artfully arrange it into a wreath to hang on the wall.

Apply seasonal ideas from a leaf gift tag to a twig and mini-light chandelier to brighten up the holiday and the days that follow.
