Northland Editors : Navajo Jewelry before purchasing it in order to gauge whether or not it would be worth my time, and all praised Navajo Jewelry:

7 of 7 people found the following review helpful. Beautiful small little volume, but oh so interesting. By timbuktooI have not been disappointed at all with this book. Incredibly beautiful pictures coupled with history, and it doesn't get any better. This is a must have for people like myself who have loved and collected Native American jewelry. I have for over 50 years and can't read enough about it, even now. A big thank you for this beautiful little jewel of a book. 8 of 8 people found the following review helpful. Wonderful photos By dropoffauction Great book, incredible photos, accurate descriptions by author Lois Jacka, be sure to check out the bibliography and index to enjoy book 1 of 1 people found the following review helpful. great small book By mary in new york city a great small book about navajo

jewelrygood for novice or more expert people as well...
