From Handy Hands, Inc. : Needle Tatting from the Heart before purchasing it in order to gage whether or not it would be worth my time, and all praised Needle Tatting from the Heart:

This enjoyable tatting book has 12 patterns, including, doilies, bookmarks, an oval frame, an edging, etc. Instructions for three methods of adding beads to your tatting are included, as well as instruction on the split ring method. Patterns are for needle tatting but may be used for shuttle tatting as well.
