The book provided information for serious bargello artisans but not what I was looking for. I certainly was a bargain for the price.4 of 4 people found the following review helpful. My Mom really likes itBy L WalshI ordered this for my mother who has been doing needle point, knitting, etc her entire life. Bargello is hard to find in the stores so we went to trusted . She is very pleased with the book and said there were many beautiful patterns in it. The shipping was much quicker than I expected.0 of 0 people found the following review helpful. This book is exactly what I needed for my collection ...By Judy LewisThis book is exactly what I needed for my collection of Needlepoint books. All my other books are different I am looking forward to trying out these new patterns.

Over 60 designs including four-way, bargello, needlepoint and combination.
