Charles Normand : Neo-Classical Design (CD-ROM Book) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Neo-Classical Design (CD-ROM Book):

Splendid collection of 156 black-and-white designs depicts human and mythical figures, musical instruments, florals, foliates, and a host of other subjects. Reproduced from rare engravings, these lovely motifs will inspire commercial

artists and find wide use among craftspeople working in a variety of areas.
