Isabel Stanley : New Crafts: Machine Embroidery: 25 Beautiful And Original Projects Photographed Step By Step before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Crafts: Machine Embroidery: 25 Beautiful And Original Projects Photographed Step By Step:

5 of 5 people found the following review helpful. Eye-Candy OnlyBy Marilyn WKThis volume provides some eye-candy with instructions that are minimal. It isn't really a project book, but it also is not really a technique book. If you are looking for ideas, this book might please you. If you want more in-depth 'how-to', then I'd look elsewhere.0 of 0 people found the following review helpful. Five StarsBy bozmanbeautiful designs,worth the money,as always,excellent service fr 0 of 0 people found the following review helpful. free motion machine embBy Daphyn Nordeennot the kind of machine embroidery I am interested in

The beauty of embroidery by machine, explored in practical projects and inspirational designs - the book outlines all the techniques and materials you need to get started, with the help of 250 gorgeous photographs.

About the AuthorIsabel Stanley trained in textiles and embroidery. She is sought after as a contributor to craft publications, and is the author of several craft books including Quilting and New Crafts: Beadwork. Peter Williams is one of the best known and most highly regarded craft, cooking and lifestyle photographers.
