Ann Budd : New Directions In Sock Knitting: 18 Innovative Designs Knitted From Every Which Way before purchasing it in order to gage whether or not it would be worth my time, and all praised New Directions In Sock Knitting: 18 Innovative Designs Knitted From Every Which Way:

4 of 4 people found the following review helpful. These are NOT your grandmother's socks!By Desert Gal53This is a great book and has some really REALLY interesting sock patterns in it. Who knew that there were so many interesting ways to make a sock for the human foot!This book is not for beginning sock makers, imho, but it sure is a lot of fun to read and look at. I do hope to be able to make a sock or two from this book soon. Really, this is a must have if you love knitting socks.3 of 3 people found the following review helpful. Sock KnittingBy BonniejaneThis is an inspiration and something to strive for. I love planning my next socks using this wonderful book. All of the patterns

are unique and beautiful! 1 of 1 people found the following review helpful. Five Stars
By Barron M. Hudiburgh
Given as a gift - she was pleased as a class instructor had actually just recommended it.

Take a step in a new direction! Go beyond top-down or toe-up construction in *New Directions in Sock Knitting*. In the eighteen designs curated by knitting super star Ann Budd, you'll be treated to projects that range from traditional sock patterns to more challenging and innovative sock constructions. The socks in this collection use a variety of knitting techniques including double knitting, intarsia in the round, short-row shaping, mirrored color and texture patterns, and multi-directional knitting in both traditional and innovative ways. These techniques will have you casting on and knitting your socks from unexpected places--starting at the heel or sole or even from side to side! The instructions are all written in step-by-step detail that will ensure success, no matter which design you choose to knit. Original, innovative, and unique, it's *New Directions in Sock Knitting*!

"Experienced sock knitters who relish a challenge will want to pick this one up, as will knitters weary of traditional patterns." --Library Journal
"For most knitters, teacher and best-selling author Ann Budd needs no introduction. There's plenty of variation in colorwork, texture, and technique for each to hold its own." --Spin-Off
"We love sock knitting, and Ann's designs have taken it to a whole new level. Explore all sorts of shapes, techniques, textures and colours in the 18 amazing designs, there are patterns for any competency level. Plus, there's a great set of step-by-step guides in the back of the book as helpful reminders for when you get stuck." --Let's Knit
