1 of 1 people found the following review helpful. NFL Cross Stitch By Catherine It took me several months to find this item and so when I saw it I ordered. The only difference is when I ordered this item several years ago I only paid \$5.75 and this time it was triple the price. I still purchased it because it was the only place that could actually get me a copy. I love this because these Huddles make great Christmas presents for die hard NFL fans and they can keep them for years to come. 0 of 0 people found the following review helpful.
