Nicky Epstein : Nicky Epstein's Fabulous Felted Bags: 15 Bags to Knit And Felt before purchasing it in order to gage whether or not it would be worth my time, and all praised Nicky Epstein's Fabulous Felted Bags: 15 Bags to Knit And Felt:

1 of 1 people found the following review helpful. I look and look and look and cannot find ANYTHING that has professional looking felted bags. Will have to figure it out myself By Aspiring Artist and Designer I look and look and look and cannot find ANYTHING that has professional looking felted bags. They are always gimicky and very craft looking. I am trying to make bags that have clean lines and professional looking. I think I will have to just make my own designs and patterns and I have the software to do it. But, this book will give you some inspiration and ideas, but I really do not think anyone wants a purse that has a gooses head as a handle. That is right, and "actual" size. 0 of 0 people found the following review helpful. Just love this book and has been added to my collection ... By Sami Just love this book and has been added to my collection of books on knitting and felting and it fits perfectly! It was a little slow in getting here but it was exactly as advertised and the price was certainly right! I would definitely buy from this seller again in the future, 2 of 2 people found the following review helpful. Nicky Epstein's Fabulous Felted Bags By Linda Lanese Nicky's new book, Fabulous Felted Bags, is a treasure chest of delightful bags to knit and felt. She pulled out all the stops when she designed the hand bags presented in this book. The bags range from the traditional to the fun-fun one of a kind bags that only you will carry when you knit and felt it. I have scanned a few pictures from the book for you to get a taste of the lovely bags. What an awesome gift to give to a knitter that has been yearning to felt, because this book will inspire them. This fabulous book is a work of art with amazing pictures and detailed instructions. carries this book and if you purchase \$25 worth of books, like Nicky Epstein's, Knitting-Never-Felt-Better and you get free shipping and I hope this is something will keep as a part of their site to promote book sales with the gas prices so high! Introduction, When asked to do a book of hand knit handbags, I jumped at the opportunity, because I love bags-- they're practically indispensable! I've incorporated many different shapes and motifs that range

from whimsical to haute couture, and have tried to make them functional, fashionable and fun. You'll find an added element that is very exciting to me ... they're all ... felted. Felting adds whole new dimensions to the bags--texture . . . durability . . . cohesion . . . and distinctive style. I well know how nerve racking it can be to throw a lovingly-knit project into the uncharted territory of hot and soapy water and hope that the gods of the washing machine will be kind. Not to worry! If you follow my felting hints, it most always works. And the good news--a bag doesn't have to fit! So knit . . . felt . . . and be merry.

"When asked to do a book of handknit handbags, I jumped at the opportunity, because I love bags - they're practically indispensable! I've incorporated many different shapes and motifs that range from whimsical to haute couture, and have tried to make them functional, fashionable and fun. You'll find an added element that is very exciting to me...they're all...felted. Felting adds whole new dimensions to the bags - texture...durability...cohesion...and distinctive style. I well know how nerve racking it can be to throw a lovingly-knit project into the uncharted territory of hot and soapy water and hope that the gods of the washing machine will be kind. Not to worry! If you follow my felting hints, it most always works. And the good news is - a bag doesn't have to fit! So knit...felt...and be merry."

"Just look at that cover- sumptuous, and this book does not disappoint. 15 fun felted bags based on themes such as flora, fauna, pictorial, tapestry, geometric and textural. Expert knitter, Nicky Epstein, puts her versatility into felted bags to create some of the best around. They not only look good but are practical too. So when you want your felted frog, cat, flapper bag or houndstooth, you know what to do. This 82 page book with lavish photography, has easy-to-follow knitting instructions for the bags which are then felted in a washing machine." KarenPlatt.co.uk About the Author Nicky Epstein is one of today's most prolific and versatile knitwear designers, authors and teachers. She has gained worldwide recognition for her artistic, distinctive and innovative work, whimsical sense of style and informative workshops. Her designs continue to be featured in many knitting magazines and publications, on television, and in museums.
