**Nicky Epstein : Nicky Epstein's Knitting on Top of the World: The Global Guide to Traditions, Techniques and Design** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nicky Epstein's Knitting on Top of the World: The Global Guide to Traditions, Techniques and Design:

2 of 2 people found the following review helpful. This book is great. If you love design then you will love ...By ArielleThis book is great. If you love design then you will love it. There are some things in this book i wouldnt knit however it also contains some of my favorite designs. The sweater with feathers (gala aran) is gorgeous and omg to the princess bride mittens. To be honest about 80% of this book is on my que but then again i am not a one skein wonder type of girl and i love color and cables. For anyone who thinks the patterns are hard go check out the books page on ravelry and see how many people are in love with the designs and the book. Thank you Nicky this is by far

my favorite book of yours yet and is one of the reasons you are a favorite designer of mine. 2 of 2 people found the following review helpful. Her directions are great. Sometimes I buy the books just to look ...By Kim F. Bell Huge fan of Nicky Epstein's designs. Her directions are great. Sometimes I buy the books just to look at them, knowing I'll never have time to knit everything I like by this designer. 1 of 1 people found the following review helpful. Wonderful book By Ellen Ersted Perfect book!!

Nicky Epstein's blockbuster *Edge* titles have sold more than 125,000 copies; she's a needlework star whose every book is eagerly anticipated and snatched up. Now Nicky's giving devoted readers her most important and wide-ranging collection of patterns yet: a worldwide tour of knitting traditions and techniques, including colorwork, cables, lace, intarsia, and more. She explains the origins and traditional uses of each one, and then goes on to reinvigorate and recombine all these beloved styles in her inimitable way. The result: more than 40 all-new, innovative designs collected in an attractively designed book with a handy ribbon marker. There's a Celtic Pullover with braided twisted rib strips; a Snowflake Tunic from the Far North; a Felted Tyrolean Capelet with applique, cord, and balls; a Spanish Rose Pullover with lace accents; a colorful Peruvian skirt; and an oversized, zipped Navajo Blanket Jacket. Colorful maps and historical photos make this collection a visual treat, as well as an invaluable tool for knitters seeking new inspiration.
