**Angie Grace : Nifty (Angie's Patterns Volume 10)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nifty (Angie's Patterns Volume 10):

Pattern artist Angie Grace brings you 50 peachy cool original coloring design patterns suitable for adults and older children. In this volume you'll find a jolly and jazzy jumble of winding weaves and knotty knick knacks, all presented in Angie's unique and whimsical pattern art style. Artwork is printed on one side of the page only and has been drawn with marker artists and colored pencil fans in mind. (Crayon artists, keep your sharpener handy - or visit Angie's author page to find her special edition Nifty companion books that contain drawings sized perfectly for crayons and wide tipped markers.)
