Jan Beaney, Jean Littlejohn : No Stone Unturned before purchasing it in order to gage whether or not it would be worth my time, and all praised No Stone Unturned:

Recommended by fiber artists in my area, it appeared to be interesting...but I wouldn't have expected it to capture my imagination as a Non-fiber artist as it did. Multi-media and carving are my typical adventures, and No Stone Unturned actually turned me into a more adventurous path in my work, and to begin experimenting in other work. It's also a very beautiful book...with a natural soul that anyone can appreciate. Excellent!
