**Margot Shaw : Not So Prim Rose** before purchasing it in order to gage whether or not it would be worth my time, and all praised Not So Prim Rose:

0 of 0 people found the following review helpful. A fast and average read - just like reading a magazine (Flower magazine being a better read)By clachanceA fast and average read - just like reading a magazine (Flower magazine being a better read). Can't get too excited about this book.2 of 2 people found the following review helpful. From the Founder/Editor-in-Chief of "Flower Magazine"By Katherine"Flower Magazine" has compiled its popular "Not So

Prim Rose" column into a book of light-hearted tales and lively illustrations. Follow the misadventures Editor Margot Shaw encounters as she travels the country spreading the joy of "Flower." If you are not familiar with "Flower," learn more about this floral lifestyle publication at [...]

This collection of short stories from Flower magazines editor-in-chief is sure to delight. Follow her travels as she encounters misadventure at every turn. From technological difficulties to sartorial disasters from floral faux pas to road trip woes Rose Bush will delight you with her humorous take on the vicissitudes of life. You will no doubt find yourself nodding knowingly and chuckling your way through Not So Prim Rose. To read Rose Bush is to learn the key to a profoundly happy life: Always be brave enough to laugh first and hardest at yourself. She's sharp and self-deprecating, filled with compassion, and outfitted with a keen eye for the telling detail. In short she's possessed of my favorite brand of humor and she can tell a story like nobody's business. JULIA REEDI know y'all will love the stories of Rose Bush taking us on adventures and to places we may have never dreamed of and laughing all the way. JAMES T. FARMER III
