An accompaniment notepad for Unseen Messages. Read UNSEEN MESSAGES (novel) to understand the significance with Notepad of E.E "There is a message for everything. From handwritten to verbal, seen and unseen. Messages exist all around us. But what if you don't see? What if you don't understand? What if, by ignoring the message, your life is never the same again? Estelle Evermore morphed from nobody to somebody overnight. Galloway Oak put his past behind him and endeavoured to make his fortune using his trade. Two strangers. One plane. Multiple unseen messages. From sky to island, they find neither fame nor skills can save them. Stripped from society and left alone to survive the elements, the very task of staying alive outweighs all other needs. Until survival turns to desire. And desire turns to danger. From New York Times Bestseller Pepper Winters comes a timeless love story answering the question of what happens when everything is stripped away. Standalone.
