My favorite designs are the flowers and treesBy Joya RoyMy favorite designs are the flowers and trees, some mushrooms and a little square motif pattern for framing. These Ondori books bring endless smiles. This book is tinier than the rest! Like only 4x6" or so, but packs just as good a punch.0 of 0 people found the following review helpful. Simple is goodBy Maria Luiza NeryAnother treasure published by Ondori. The designs are simple enough for a child to embroider, or to add a naif touch to any embroidery projects.

Paperback published by Ondorisha Publishers, Inc., 1976.
