Barb Asselin : One-Day Crochet: Afghans: Easy Afghan Projects You Can Complete in One Day before purchasing it in order to gage whether or not it would be worth my time, and all praised One-Day Crochet: Afghans: Easy Afghan Projects You Can Complete in One Day:

129 of 134 people found the following review helpful. Incomplete and misleadingBy elmoI am a pretty experienced crocheter. I was interested in the rainbow and daisy afghans in this book. While planning ahead for my projects I was

frustrated that the pictures were misleading and the directions somewhat incomplete. Working with a poor picture of the rainbow afghan (I've never seen a folded picture for a project) the directions suggest 6 colors, the picture appears to have at least eleven. Apparently there is no border around the whole afghan, again you could see this if it were displayed properly. I moved on to the daisy afghan as my second choice. Again, the picture shows smaller squares around the outside with something larger in the center. There were no instructions to this effect with instructions that seemed to suggest the whole project is made up of smaller squares. I don't understand the the lack of complete pictures. Not what I would recommend for a beginning crocheter. I'll be returning mine.0 of 0 people found the following review helpful. There is a nice variety of projectsBy CustomerThere is a nice variety of projects. The directions are clear. I liked the suggestions on how much yarn you would need based on which size project you would like to tackle. She is clear that she tried to create a project that could be done in a day, and then included directions for a larger project if you would like to expand the pattern for a larger project if you really liked the pattern. I am planning which colors I want for my first project!1 of 1 people found the following review helpful. The book contains fun, easy patterns for all age groupsBy H. M. BeattyThe book contains fun, easy patterns for all age groups. Some projects might be don in one day but others will require more time. (Admitted on back cover) the stitches required are straightforward and perfect for a new crocheter wishing to increase speed. There are a few minor technical problems which I have advised the author, but nothing that would stop progress. A great book for beginners up.

Create a beautiful handmade crocheted afghan in just one day! Have you always wanted to learn to crochet but thought it was too difficult? Have you considered crocheting an afghan but thought it would take too long? Would you like to create a special and meaningful gift for someone? Are you looking for fun, easy and quick afghan projects to complete in just a day? If any of these questions resound with you, then this book is for you! Inside you will find a review of the main crochet stitches and materials often used in crochet projects, in case you are new to the craft, or are looking for a refresher. Finally, you will find 10 beautiful afghan patterns that can be completed in just one day. Note that these patterns will help you complete a lap-sized blanket or a baby blanket. For larger projects, you can expect that you will need more than one day to complete. Are you ready to be creative? Lets get started
