Comments From Other Readers I've made two of the throws from this book and they both turned out great. The instructions were plenty clear enough for me, a barely intermediate knitter. I was able to complete both garments with no help except to look up a couple things in a basic knitting reference book. The instructions at the beginning were a huge help though. Any one of these sweaters or other projects, like the pillows, would make great gifts for the pet owners you know. - Lois (New Brunswick, Canada) I was a bit hesitant to buy this as I have a cat. Have you ever tried to put a sweater on a cat? Long story short, with mine it doesn't end well and the cat never wore the sweater. I love that this book has more than just clothing options. She was fearless hunter with the duck and has eagerly (for a cat) claimed the snuggly blanket as her new throne to rule the house from. I was happy to find that the patterns were easy to put together and the instructions were straight forward. - Kelli (Ohio, US)
