Leigh Radford : One More Skein: 30 Quick Projects to Knit before purchasing it in order to gauge whether or not it would be worth my time, and all praised One More Skein: 30 Quick Projects to Knit:

By Courtney I checked this book out from the library before I purchased it but there were so many great projects and ideas that I couldn't just borrow it. I needed to own it. The projects are great and very inspiring for future knitting projects. I can't get enough of this book. I would also suggest purchasing her earlier work One Skein: 30 Quick Projects to Knit or Crochet with just one skein projects, I also really enjoyed that one and also had to purchase my own copy after checking it out from the library. 0 of 0 people found the following review helpful. Meh By Deb Putney As previous reviewers mentioned this book has some cute ideas but not a lot of fresh ideas. So similar to previous books. Kind of a disappointment. 0 of 0 people found the following review helpful. Five Stars By GGBunny Item was as described and shipped promptly.

Two needles and one (or one more) skein of yarn the possibilities never cease to amaze me, writes Leigh Radford in the introduction to her new book. Radford's fascination with the creative potential of these raw materials is evident throughout One More Skein, where she melds the alternative approach to knitting and felting she introduced in AlterKnits and AlterKnits Felt with the magic she worked with a single skein of yarn in the bestselling One Skein.

About the Author Leigh Radford is the author of *AlterKnits* and *AlterKnits Felt (STC)* and *One Skein*, a highly sought after teacher, and the former art director of *Interweave Knits* magazine. She has designed knitwear for *Interweave Knits* and for *Lantern Moon*. Her work has appeared in numerous books, including *Weekend Knitting* and *Handknit Holidays (STC)*.
