**Tine Tara : One-Piece Knits: 25 Seamless Patterns Knitted in the Round-Hats, Bags, Scarves, Sweaters, Mittens and More** before purchasing it in order to gage whether or not it would be worth my time, and all praised One-Piece Knits: 25 Seamless Patterns Knitted in the Round-Hats, Bags, Scarves, Sweaters, Mittens and More:

Why knit in the round? Circular needles and double-pointed needles allow you to knit an infinitude of patterns: scarves, cowls, shawls, gloves, mittens, hats, caps, bags, sweaters, cardigans, and so much morewith no assembly required! Designs for knitting in the round can be made in a single piece; decorative patterns won't be interrupted by seams, and it's easy to check your increases, decreases, and sizing. Includes a techniques section specifically for newcomers to knitting in the round. Beginners can master circular needles in no time, and experienced knitters have 25

delightfully seamless designs to try.

A nice collection of hats, cowls, bags, sweaters, and other accessories that can be worked without seams. A fun little book [with] a lot of projects I'd be happy to have in my collection. [CraftGossip.com](http://CraftGossip.com) Just the thought of seaming knit pieces together is a turn-off for some knitters. Here's a pattern book that has come to your rescue. If you're new to knitting in the round or don't care for seaming, give this book a look! [Examiner.com](http://Examiner.com)
