Helen M. Stevens : One Simple Stitch before purchasing it in order to gage whether or not it would be worth my time, and all praised One Simple Stitch:

1 of 1 people found the following review helpful. Great teaching tool.By PepperI have all of Helen Stevens books. It was nice to see that she does the e books. It was easy to follow and I would recommend this to those that want to see hands on teaching.0 of 0 people found the following review helpful. Helen Stevens is very good at teachingBy JSvery informative. Helen Stevens is very good at teaching. She does such excellent work, and had the gift of being able to teach what she does, even to the simple minded (me!)2 of 2 people found the following review helpful. Five StarsBy Rose BesteLove her stitch work and I only hope with the videos I can perfect my needlework.

In ONE SIMPLE STITCH Helen Stevens begins a crusade to prove that if you can bring your needle up through your fabric, and take it back through to the reverse, you can embroider ...and you can work all the projects in this book. And you don't even need lengthy step-by-step instructions. All the information you need is encompassed by a template, a colour chart and a unique 'directional diagram'. Armed with these three weapons, and one simple stitch, you will slay the dragon which has held you back from working true embroidery. And with no counted thread techniques, there's no counting either. So sit back, enjoy the text and the videos and prepare to become a confident embroiderer. All with ONE SIMPLE STITCH. This ebook includes videos of Helen demonstrating the stitches and techniques.

About the Author Helen M Stevens is the bestselling author of 12 previous books, including The Embroiderer's Countryside (David Charles). She is well-known internationally for her beautiful depictions of flowers and wildlife, which she was taught to love by her father, a 'true countryman'. Helen has exhibited widely, both in one woman exhibitions at a variety of venues and with the Society of Women Artists, initially at the Westminster Gallery and more recently the Mall Galleries in London. Other early venues included the Harrods Art Gallery, the Stanley Gibbons Gallery in the Strand, The Mary Rose exhibition, The British Museum 'Making of England', the Palace of Westminster and Olympic Park in Sydney, Australia.
