There are so many useful designs and the directions are easy to follow. It is the perfect size to fit in my knitting to go back 0 of 0 people found the following review helpful. Not so much By Kathleen I didn't find much in this book I really wanted to knit. Maybe rent it from the library and if you find many things you like them buy it. 0 of 0 people found the following review helpful. Five Stars By Denise Foster great book

If you're like most knitters, you have lonely skeins of yarn in your closet casualties of projects discarded mid-row or leftovers from long-completed pieces. Offering 101 charming designs that use just a single skein of yarn, Judith Durant shows you how to turn these extra bits of fiber into stylish hats, mittens, scarves, and tea cozies. Covering a wide range of tastes and styles, this collection will inspire you to dig out your orphan yarn and get stitching.

If the cold weather has you excited to stay inside, this is the book for you. -Tulsa World, Tulsa, OK Reads like an atlas of quirky yarn shops from all across the land. -Associated Press, Syndicated Article Start something and finish it immediately.
