Elizabeth Singler : Onesie Pattern before purchasing it in order to gauge whether or not it would be worth my time, and all praised Onesie Pattern:

0 of 0 people found the following review helpful. Instructions seem easy to understand and are described well
By Sharon Haning Was not any information about where to purchase cheap fabric as stated in the description. Instructions seem easy to understand and are described well. A few pages not labeled so you have to look thru the book carefully to match up the pattern with either the regular sized onesie or the fuller sized onesie. Might be a good idea to edit the book again for some of those details.
0 of 0 people found the following review helpful. NOT "easy"
By Michelle Easy? What a joke. Spent HOURS trying to make a onesie using this pattern, but finally had to give up.
0 of 0 people found the following review helpful. Five Stars
By A Right This make sewing onesie so easy.

Sew fitted or comfy Onesies with this baby onesie pattern This is a sewing pattern to make your own baby onesies.

Make them with Long sleeves, short sleeves or sleeveless (tank top). The onesie pattern includes sizes: Tiny Newborn Newborn 0-3 months 3-6 months 6-9 months 9-12 months 12-18 months 18-24 months 24-36 months Each size has 2 patterns: one is for fitted sizing and one is for comfy sizing. The fitted size onesies are perfect if you want a nicely fitted onsie on an average size baby. The comfy size onesies are great for babies who have extra large tummies or thighs or just for the mom who likes the baggier style. Also included in this onesie pattern are instructions for a short sleeve, long sleeve and sleeveless onesie. Make these baby onesies with a regular sewing machine. However, if you had a serger, I have optional serger directions as well. No serger is needed though. The pattern is designed to fit babies from 0-36 months. It is accurate sizing with real babies. This onsie pattern is the easiest available ANYWHERE. There aren't any unexpected or unexplained steps. Every step is very clearly detailed with a crisp image to help explain the step. You will definitely get it right the first time! The pattern includes helpful hints as well as great ideas on where to get fabrics for cheap or for free! Sewing Level: Beginner! This Onesie Pattern Includes: Pattern pieces for 9 sizes (NB-36 months) for FITTED onesies Pattern pieces for 9 sizes (NB-36 months) for COMFY fitting onesies Tutorial to make onesies with sleeves Tutorial to make onesies without sleeves (tank top) Serger or regular sewing machine directions Fabric suggestions supply list Very detailed binding instructions Snaps or velcro instructions Budget friendly ideas to help you save \$\$ on supplies Helpful sewing hints tips throughout the tutorial Step by step directions with real life images for each step 100% Support from a professional seamstress
