Angela Lan : #OOTD (Outfit of the Day) Sew Style: Make Your Dream Wardrobe with Angela before purchasing it in order to gauge whether or not it would be worth my time, and all praised #OOTD (Outfit of the Day) Sew Style: Make Your Dream Wardrobe with Angela:

0 of 0 people found the following review helpful. Good but not really what I was hoping for... was wishing for a book that would "break it down" more for kids... By Happy Cookin' Mama I bought this to help my girls sew their own clothes this summer and they wanted more fashionable things... however, this book doesn't really break it down or provide a lot of simpler projects... truthfully it's too hard for them to work through on their own and I will have to just teach them... in which case, any of my "adult" sewing books would have worked just as well. I respect the author's effort here though and she has put together a very good book if you don't have other sewing books already ... and this

will definitely get teen girls interested in sewing, but... I wish I had a better idea of the book before ordering, because it really isn't broken down to standard/very easy/beginner kid level. It just seems like a standard sewing book with teen models. 0 of 0 people found the following review helpful. but it's pretty advanced for a teenager with no sewing experience. By momofthree This is a really cute and informative book, but it's pretty advanced for a teenager with no sewing experience. However, there are some kids that are super adventurous and don't let fear of the unknown hold them back. Those type of kids will LOVE this book. 1 of 1 people found the following review helpful. I gave this a 4 since I am not a ... By JUDY PEARL JONES I gave this a 4 since I am not a teenager but I wanted to use Angela methods, not necessarily her garments.

Ideal for avid DIY-ers looking to try something new, this in-depth guide turns beginning garment sewers into fashion designers! Thirteen-year-old clothing designer Angela Lan of Lovespunk.com teaches 12-16 year olds to design their own wardrobe from 6 classic looks then shows them how to alter patterns for a completely different style! A skill-building approach to garment-sewing basics, like choosing the right fabric and installing zippers, makes for a professional, store-bought finish every time.

OOTD stands for outfit of the day and this book will help you to make the clothes you want. You'll discover the basics of sewing, 6 patterns and skill building. This book is ideal for teens, the sizes are small in my opinion for today's market. The smallest bust size is 28 (70cm), the largest size is bust 36 (90cm). However you will learn how to customize, resize and more. patterns include tops, skirts, dresses and trousers for everyday casual wear. Instructions are clear and there are good photos throughout. (yarnsandfabrics.co.uk, 4/22/16) OOTD is fashion-blog-speak for Outfit of the Day. Fourteen-year-old fashion designer Angela Lan of lovespunk.com teaches 12- to 16-year-olds how to design their own wardrobes from six classic looks. This in-depth guide shares garment-sewing basics, from choosing the right fabric to installing zippers, for a professional store-bought finish. Encouraging girls to find and sew their perfect style, Angela helps readers build their skills through six versatile clothing patterns and four altered fashions to show how easy it is to change up basic pieces for a totally different look. (Notions, Summer 2016) About the Author Angela Lan is a teen fashion designer and lifestyle blogger. Self-taught, she is an artsy girl who wants to pursue a career in design and start her own clothing brand. lovespunk.com
