S. W. Bushell : Oriental Ceramic Art Illustrated by Examples from the Collection of W. T. Walters before purchasing it in order to gage whether or not it would be worth my time, and all praised Oriental Ceramic Art Illustrated by Examples from the Collection of W. T. Walters:

2 of 3 people found the following review helpful. Major resource on Asian ceramicsBy Judith CampbellThere are 116 full color plates and 411 black and white illustrations in this tome. This is a major resource book for this area, with the emphasis on Chinese porcelain, as well as sections on Japanese and Korean ceramics as well. There are chapters on classification, marks, colors and designs, works produced during each dynastic period, technical processes in producing the ceramics, common motifs, and export wares.

This volume contains every word and every picture of Oriental Ceramic Art, originally published in 1896 in a limited edition of 500 copies. While its major emphasis is on the ceramics of China, it also has sections on Japan and Korea. 116 Color Plates. 411 black and white photos within the text.
