Hideaki Sakata : Origami ABC's before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami ABC's:

4 of 5 people found the following review helpful. Great book for beginners!By A CustomerThis is an excellent book that provides an arrangement of different origami, from flowers to aircrafts to animals. It has easy-to-follow illustrations AND they provide you with origami paper, a pleasant surprise! I highly recommend this book if you are starting to learn origami and if you're looking for an easy, simple book.
