A must for every paper airplane enthusiastBy YoshizawaThe book is written by one of the foremost origami artists and designers in the world and his very talented wife.Excellent designs that fly very well. Buy it!0 of 0 people found the following review helpful. lots of funBy Bryan m. putzeVery easy to follow instructions. Best to own to refer back to. Planes fly fantastic after some practice of proper launch.

Pauls origami, pop-up and paper sculpture books have sold more than 2 million copies worldwide. The spectacular paper airplanes in Origami Airplanes are so easy and fun to make, even first-time flyers will have a plane soaring through the air in no time. All the designs were chosen because they feature a special detail of paper plane design, such as being very wide or narrow, great for flying outdoors, a strange shape, having an unusual launch or being acrobatic. Origami Airplanes includes 60 sheets of origami paper as well as tips and tricks for making all your planes fly really . . . REALLY . . . well! Professional paper artist and instructor living in Tel Aviv, Israel, Paul Jacksons work has been exhibited in museums and galleries around the world. Paul was a featured artist in the award-winning 2010 documentary Between the Folds. He is the author of more than 25 books on origami, pop-ups, and paper sculpture.
