Heian International Inc : Origami Book 9 - Giraffe, Owl, Tree before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami Book 9 - Giraffe, Owl, Tree:

2 of 2 people found the following review helpful. Origami 9By A CustomerThe ninth book in this series of sixteen books contains a variety of models but the one I found to be most useful is the hanging mobile. Using primary colors to make the mobile objects from the preliminary and water bomb folds this will brighten any room. The other models include; a flapping pigeon, a box for candies or nuts, a giraffe, an owl and tree, and a fish that is different than the other fish presented in this series of books.

The art of paperfolding is a favorite of both children and adults. Each book includes 15 sheets of paper and instructions for the origami figures pictured on the cover.
