Nick Robinson : ORIGAMI BOX before purchasing it in order to gage whether or not it would be worth my time, and all praised ORIGAMI BOX:

Perfect for the beginner, the Origami Box contains 15 delightful and varied projects ranging from easy to intermediate. The book begins with a guide to folding techniques and symbols, then you can choose from simple folds such as the Penguin or Swan, before progressing to a Fighter Plane or Two-Tone Pyramid. Contents include: * Step-by-Step Illustrations* 60 Sheets of Colorful Origami Paper* A guide to folding techniques and symbols
