Trevor Bounford : Origami (Collins Gem) before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami (Collins Gem):

A practical, highly illustrated guide to the ancient art of origami. Though highly illustrated, with step-by-step instructions, the Gem enables you to make a range of models.Collins Gem Origami outlines all the tools and skills necessary to making up to 200 models from the very simple to the complex.For each model there are illustrated, step-by-step diagrams to show you what to do along with a photograph of the finished result.With around 200 illustrations,

this guide will give anyone the confidence to make some origami models.

From the Publisher Collins Gems are smartly designed pocket reference guides, providing knowledge at a glance on a wide variety of popular and timely topics. Packed with color photos and illustrations, and sporting durable flexibindings, these unique quickreference books offer the minimum in size and the maximum in useful information.
