What could be more exciting than learning about dinosaurs? Creating these fierce creatures! Using the cool art of origami, readers will craft dinosaurs from just a piece of paper. Readers will be introduced to basic folding concepts as well as the bases used for many origami projects. Ranked from easy to hard, the projects are presented in an understandable, step-by-step format to help readers make paper diplodocuses and plesiosaurs, among others.

Colorful pictures of each dinosaur, as well as pictures of each step of the process, complement the instructions, and captivating fact boxes enhance readers knowledge with information about each featured dinosaur.
