Marcia Joy Miller : Origami for Busy People: 27 Original On-The-Go Projects [Origami Book, 48 Papers, 27 Projects] before purchasing it in order to gauge whether or not it would be worth my time, and all praised Origami for Busy People: 27 Original On-The-Go Projects [Origami Book, 48 Papers, 27 Projects]:

2 of 2 people found the following review helpful. Fun and Easy By PWM My son loves this book. He is 8 years old now. The instruction is easy to understand even for his age, and there are many fun and cool sets of origami in this book. The duck, seahorse, and lake monster are his favorite. Also, there is a series of various stars that are my favorite. The book also includes many neat origami papers. I have not used them since they are so pretty. I would use recycling papers for practice before use them to make the origami I want to keep. 0 of 0 people found the following review helpful. hehehe By R. Glick as my 9 year old stated, "Mom.....this isn't really for busy people...." We LOVE origami.....but almost NO origami is for busy people. BUT.....we LOVE this book and make time to do one.....once in a while....when we have time. :) 1 of 2 people found the following review helpful. Perfect Time Out By Steve Jacobus I was always interested in origami but it looked to complicated and time consuming and I don't have a lot of time for hobbies. The concept of origami for busy people intrigued me and I had to get the book and see if it was true. I was delighted to find that the book was everything it promised. The instructions are very clearly written and the pictures and illustrations are outstanding, I folded the Duck Glider soon after starting the book and spent the rest of the day "gliding" it across my desk. The projects make the perfect little diversion at lunch to relieve a little stress. I do have to practice some more before I try to use the paper at the back of the book, it's just to nice to use for practice. I'm working

my way to folding a vase and bouquet for my wife.

Make quick and easy origami projects with this origami book with tear-out folding paper. Origami for Busy People is the first origami book for people who love to fold paper for fun and relaxation but have trouble finding the time in their busy day for it. The bright, high-quality folding paper in the book makes it like an origami kit. You won't have to buy new folding paper anytime soon! This origami book contains: 96 page, full-color booklet Introduction and guide to paper folding techniques Step-by-step instructions and diagrams 27 fun-to-do projects 48, two-sided perforated folding sheets Dozens of different colors and patterns These fun folds are a great way to learn origami and can be used to decorate your cubicle, to create something to give to friends and family at the end of the day, to show to colleagues at the water cooler or just to use as conversational ice-breakers or as a form of mental relaxation. The ease of the folds makes it a great origami-for-kids book but the projects are interesting enough for adult beginner origami enthusiasts. Origami projects include Jack-O'Lantern Seahorse Noisemaker Topsy-Turvy And many more

"Ever wish you could find the time to sit down and give origami a try? Or perhaps you know someone overwhelmed by work who could use a quick, creative treat? Sure, it takes time to make anything, find materials, stay organized and keep up with instructions. But the brilliant idea behind Origami for Busy People is that the time commitment is almost nil." BookPage blog "Even those of us most hard pressed for time will happily make a date to fold from Marcia Joy Miller's exceptional collection of origami projects." Daniel Scher, Co-chair, OrigamiUSA's Publications Committee "This fun-filled book of original origami designs by Marcia Joy Miller, features super-clear instructions to guide both beginning and experienced folders through the many delightful projects." Gay Merrill Gross, author of Minigami: Mini Origami Projects for Cards, Gifts and Decorations "Origami For Busy People is an enchanting variety of origami models and papers sure to delight folders of all ages with clear, easy to follow diagrams and tons of helpful suggestions." MaryAnn Scheblein-Dawson, OrigamiUSA "The book, Origami for Busy People by Marcia Joy Miller is a fun book for someone with no time on their hands to do a full DIY project or any type of crafts and even the more advance Origami projects that take more time to create" Test Try Results blog About the Author Marcia Joy Miller has taught origami classes and workshops for years. Her original origami designs have appeared in numerous origami publications and she holds membership in several origami societies. She is also an artist and photographer and has a Bachelor of Arts degree from The College of New Jersey.
