Thiranut D. Berry : Origami for Fun! (For Fun!: Crafts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami for Fun! (For Fun!: Crafts):

0 of 0 people found the following review helpful. Can't judge a book by it's cover By justanopinionatedmom This book is a fairly good reference and introduction for origami beginners. It gives brief background on history, materials, basic folds, people, timeline, etc. But, it only shows how to fold six items (the snake, the masu box, photo album, samurai helmet, boat, and cicada). There are no directions for the ninja star or crane - which is what is pictured on the cover!

Learn how to play your favorite sport or participate in your favorite activity in this exciting series from Compass Point Books. Each book in the For Fun series features bold, full-color photos, informative text, and all sorts of fun facts about your favorite pastime. A quick reference guide, timeline of important events, instructions on basic skills, biographies of notable people, glossary, and index are included.
