Jeff Cole, Peggy Kelly : Origami Home Decor Kit before purchasing it in order to gauge whether or not it would be worth my time, and all praised Origami Home Decor Kit:

0 of 0 people found the following review helpful. HIGH QUALITY By michael szabo Perfect gift. Beautiful packaging and storage container. Different skill levels. Some difficult. Nice assortment of designs and papers. I would recommend this brand's product. 0 of 0 people found the following review helpful. nice paper and great box By Kindle Customer I am ordering a second one of these because the paper is attractive and different and because the box/presentation is convenient to use to store or travel with your origami paper. It is a good value, recommended. 0 of 1 people found the following review helpful. High quality kit; instructions could be improved By Astrid The included paper is pretty and abundant, and the box is great for gifting and storage. They include many cool and useful projects with accompanying photos for inspiration. My only issue is with the instructions. They are illustrated, not photographed, and that lack of clarity makes the instructions somewhat difficult to grasp for a beginner like me. I had to do an internet search to clarify one of the most basic folds and I was able to find step-by-step photos and a video to help me along. Once you get the hang of it, it's not bad, but photo instructions would be much clearer. Luckily, the verbiage this kit uses to describe the folds and techniques appear to be standard ones that everyone uses, so it's easy to search for, say, "origami squash technique" and find help on the internet.

It's origami for the home! Inspired by the bestselling Origami calendar, the Origami Home Decor Kit provides a creative selection of simple and stylish home decor projects, including decorative ornaments, mobiles, wreaths, napkin rings, and more. Kit includes: * 64-page booklet * Step-by-step instructions for over 20 projects * Beautiful photographs of the completed projects * Additional inspirational project ideas * 100 sheets of origami paper * 120 teabag sheets *

Original paper designs* Glass beads* Ribbon* Wire
