Nick Robinson : Origami Kit For Dummies before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami Kit For Dummies:

0 of 0 people found the following review helpful. Three StarsBy samantha gloverGood book0 of 0 people found the following review helpful. One StarBy Pamela Skowgraphics are not great - I could not follow.1 of 1 people found the following review helpful. Dont get this if you are hoping to make cranesBy darla l fergusonThough the crane is shown

on the cover the only reference to cranes in this book are the largest and smallest ever made.

Origami Kit For Dummies gives you all the material you need to get started in origami. Included in the kit is an expert guide book to origami, covering the different bases and techniques you need to create a huge variety of models. Illustrations and detailed instructions show you how to make 75 unique models, such as a frog, a settee, fantastic geometric shapes and even a festive Santa! There are also 25 sheets of 5x5" origami paper in five fun colours. So get folding, and show off your creations in style! Discover How To: * Get prepared to start folding * Understand the international language of origami * Fold all the basic bases * Source your paper * Design creations and draw your own diagrams About the author Nick Robinson is a professional origami artist, and has been "folding paper" for 25 years. He has been a member of the British Origami Society for over 20 years, and currently he edits their magazine, as well as maintaining their website.
