**Florence Temko : Origami Magic** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Origami Magic:

2 of 2 people found the following review helpful. Origami Magic Florence Temko By Rebekka It's by Florence Temko so it is great. In my opinion it is a beginner's level book. The diagrams are easy to follow. 0 of 0 people found the following review helpful. Five Stars By Barbara Berret Many simple designs for the beginner. 2 of 2 people found the following review helpful. Easiest instructions for origami By daniant Great for kids. The instructions are so easy and the things you can make vary in difficulty but build on bases so you can build your folding skills.
