Marcio Noguchi : Origami Master Class Flowers before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami Master Class Flowers:

Origami Master Class: Flowers is an expert-level course in folding breathtakingly beautiful origami flowers. Arranged by designer, this book offers you step-by-step instructions to make 12 of the most complex flower models ever designed. Master diagrammer Marcio Noguchi will guide you through creating advanced origami flowers with clear and precise diagrams that allow even beginners to fold these extraordinary projects. This book also contains exclusive content, including Robert Lang's "Rose," one of his most complex and sought after pieces, which has never before been diagramed. Inside, you'll also find beautiful and inspiring craft projects to use your folded flowers for, as well as

biographies of the six artists who are among origami's most distinguished designers.
