2 of 2 people found the following review helpful. for those who like creepy imageryBy luna bellaThe thing that i don't like all that much is that they don't show you what the designs are on this pack but what i say is that some of them are a bit to creepy for my taste but i got use to them over time the images on these i found were a lady who looks like she was gardening but i think her eyes were kind of smudged out then there's a lady who is in some type of portrait and she looks irritated at something then there's 2 giant fish that looked like they were going to be captured (i guess) but when you start folding them into all kinds of shapes the creepy images just disappear so to speak.1 of 1 people found the following review helpful. Magnificent!By Kindle CustomerThis might be the most elegant origami paper I've ever

used. I love it. Although the sheen on it makes for some odd creases. It's a bit like folding up the Mona Lisa, but the origami from it are gorgeous. 0 of 0 people found the following review helpful. This paper is slick like magazine paper and doesn't hide flaws well. By Erin Coker Scherer This paper is slick like magazine paper and doesn't hide flaws well. The patterns are pretty - they look like details taken from paintings. I would recommend but be sure you are careful with your folds if using it for origami. I've also been using it for various craft projects and it seems to work well.

This pack contains 48 high-quality origami sheets printed with 8 different authentic Japanese woodblock prints. Introducing unique sets of origami folding papers featuring details of traditional Ukiyo-e prints, carefully selected to add beauty and authenticity to your folded origami models and craft paper projects. The package includes folding sheets as well as an instructional booklet so that folders can start right away. This origami paper pack includes: 48 sheets of high-quality origami paper Details from 8 classic Japanese ukiyo-e prints Double-sided color Large 8 1/4" squares Origami basics and folding techniques Instructions for 6 easy origami projects Beautiful Ukiyo-e prints ("pictures of the floating world") boast flowing outlines and colorful forms. The process of creating Ukiyo-e artwork was a painstaking collaboration between artist, carver, printer and publisher. These treasured prints are traditionally characterized by depictions of carefree urban pleasures and scenes from the natural world.
