By Moxie
The quality of the paper is good for the price. It's on the thicker side for origami paper, kind of like a hefty magazine. However, the images are quite noticeably pixellated. It might not be so bad if they were being viewed from farther away, or if they were folded very small, or if you don't have the same immoderate nerd rage as I do at poor image quality, but c'mon. Print quality DPI, people.

This is beautiful paper. Quite thick, but surprisingly easy to fold, considering the thickness. I was able to fold a moderately complex model of a hummingbird with it, even though that's not really the sort of design it is recommended for.

This item arrived by the date specified and was in good

condition. I like the colors designs of this paper. Very nice paper it looks like real fabric!

This pack contains 48 high-quality origami sheets featuring 8 different authentic woodblock prints by the legendary artist Katsushika Hokusai. Origami Paper Hokusai Prints will add beauty and authenticity to your folded origami models and papercraft projects. This origami paper pack includes: 48 sheets of high-quality origami paper 8 authentic prints by Hokusai Double-sided color Large 8 1/4" squares Origami basics and folding techniques Instructions for 6 easy origami projects The famous Japanese artist, painter, and printmaker, Katsushika Hokusai (1760 - 1849), is best known for his woodblock print series, "Thirty-Six Views of Mount Fuji," from which this collection is drawn in part. The beautiful ukiyo-e prints ("pictures of the floating world") chosen for this paper pack boast flowing outlines and colorful forms.

"When I first received the Hokusai and Hiroshige print origami paper packs [] I was just too afraid to fold these beautiful arts. I didn't want to ruin some of Japan's finest arts in history by folding! I just wanted to keep and admire them, without folding. [] Overall, I am extremely pleased with these products. I grew to love them, even though I was a little intimidated by what they are at first. As Japanese and as an artist I inevitably wanted to pay respect to some of the greatest Japanese artists, Hokusai and Hiroshige. But I am glad that I found many uses of these prints that bring out the beauties in them." Yuki Origami blog"[] you just can't beat the lovely nature of Hokusai's print patterns." 8asians.com blog About the Author The Tuttle Publishing Company was established in 1948 in Rutland, Vermont and Tokyo, Japan and is today regarded as a premier publisher and seller of books rooted in Asian culture, language and history.
