Lisa Miles : Origami Pets (Amazing Origami) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Origami Pets (Amazing Origami):

0 of 0 people found the following review helpful. Five Stars By CKMy 6th year old grandson loves this book and can fold all the pets!

Whether cat lovers or dog people, readers will enjoy making paper art featuring their favorite pets! With an introduction to the basic folding techniques as well as step-by-step instructions, these origami projects will engage readers in learning a cool new kind of art. Each step of the process has an accompanying image to help readers create all kinds of pets from turtles to hamsters. Brief, interesting facts about each animal augment each project, while

colorful photographs show each featured animal in action.
