**From Dover Publications : Origami Worldwide (Dover Origami Papercraft)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Origami Worldwide (Dover Origami Papercraft):

An intriguing mix of styles from around the world, this guide for origamists features models that originated in Australia, Hungary, Bolivia, China, and India. Figures range from simple to moderately difficult and include a frog, ocean liner, penguin, hot air balloon, dragon, and kangaroo.

About the Author Internationally renowned author John Montroll has significantly increased the origami repertoire with his original designs. Best known as the inspiration behind the single-square, no-cuts, no-glue approach, the American origami master presents meticulously developed folding sequences that result in better models with fewer

steps.
