**Jenny Bradford : Original Designs for Silk Ribbons Embroidery (Milner craft series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Original Designs for Silk Ribbons Embroidery (Milner craft series):

In this her third book on silk ribbon embroidery, Jenny Bradford has expanded the range of stitches and has added to her range of flowers, including wildflowers, and has developed new ways of working butterflies and lettering. She includes designs for clothing, jewellery, toys and household decorations explained through step-by-step diagrams throughout the book and pattern templates.
