I purchased this book for ideas of plant shapes to use when designing art quilts and am pleased with the purchase. Beautiful art on every page.1 of 1 people found the following review helpful. inspirationalBy queen of cakesBeautiful, fresh and inspirational images ready for graphic applications.(note that images are single color)really ell presented and high quality.

Floral motifs add a sprightly touch to any arts and crafts project. This convenient, modestly priced book and CD-ROM set will prove a valuable resource to professional and amateur designers and graphic artists alike. Drawn from a rare 19th-century French source, this original compilation features flowers, plants, buds, and leaves in stylized natural forms as well as in more decorative arrangements. Hundreds of hard-to-find images, rendered in green and white, are

also included on the accompanying CD-ROM in JPEG formats.
