espectativas, cubre varias etapas del cultivo de orquideas, explica con palabras sencillas cada tipo de orquideas.1 of 1 people found the following review helpful. SatisfiedBy Julio R. DavilaOdered the book for a friend who recieved an Orchid as a gift. She wanted to know how to care for it. She said the book was informative and has cleared a lot of questions she had before reading the book. She is very happy with this purchase.3 of 3 people found the following review helpful. Good InformationBy I. CanateIt was a very informative book! Since it was for a present I cannot really say much except that the person I gave it to is very happy with it, and find it very informative.

Una guia esencial para el cultivo, el mantenimiento y la difusion de estas plantas exoticas.
