Maria Diaz : Ottoman Inspired Cross Stitch Motifs: 75 New Models (Cross Stitch Motif Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ottoman Inspired Cross Stitch Motifs: 75 New Models (Cross Stitch Motif Series):

Inspirational cross-stitch designs with Moorish, Persian, and Byzantine flair Ottoman Empire once stretched from the Persian Gulf to the Adriatic Sea, covering much of Southeast Europe, Western Asia, and North Africa, and it is the inclusion of so many cultures that gives its decorative art such ornamentation. With Moorish, Persian, and Byzantine

influences mixed with European folk art there is a wealth of design to choose from. This book offers beautiful repeat patterns and borders using rich jewel colors as well as styles evident in Ottoman ornamental art. The motifs work beautifully on cushions, blankets, and table linens. With easy-to-follow charts and many options of Ottoman-inspired traditional designs, this is an inspirational project book.
