**Pacific Fast Mail : Pacific Fast Mail (1969 Train Model Catalog)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pacific Fast Mail (1969 Train Model Catalog):

1969 catalog for Pacific Fast Mail, distributors of beautifully detailed brass locomotive models, both steam and diesel, as well as passenger cars, cabooses and limited edition items. The catalog is full-color and shows the Golden Spike Centennial editions of both the Central Pacific "Jupiter" and the Union Pacific's No. 119. 43 pages.
