Uwe Geissler : Painting Porcelain in the Meissen Style (Schiffer Craft Book) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Painting Porcelain in the Meissen Style (Schiffer Craft Book):

1 of 1 people found the following review helpful. ... the Meissen Style painting this is one of the best books to follow
By Customer If you want to learn the Meissen Style painting this is one of the best books to follow. I have taken 2 seminars from Ricki Nishi who was a student of Uwe Geissler. She is a fabulous artist and she recommends this book highly.
Chinadoll. 1 of 1 people found the following review helpful. Easy to follow, wonderful patterns
By sharon This book is in English and gives many tips and patterns used in porcelain painting. He explains things so simply, it makes it easy to understand and follow. Would definitely recommend it.
1 of 1 people found the following review helpful. Painting Porcelain in the Meissen Style
By Joyce Butler Good book. I would more description to the how to paint.

Good pictures to follow. Excited to try the blue plates. Don't expect detailed instructions. It is not for a beginner.

The classic porcelain painting from Meissen ranks among the most beautiful and precious of all that the porcelain art has produced. The author shows, in many colored step-by-step illustrations, how the porcelain painter can personally create decorations in the Meissen manner. Especially popular are the thirty-six flower motifs and the classic onion pattern, as well as the green grapevine decoration.
