A sweet surprise By Lorraine Loiselle The pop-up note cards are perfect for short messages on holidays, etc. Six to a package, the designs are all the same but in different colors. One is tacked onto my bulletin board. Sweet and a surprise to the receiver. 7 of 7 people found the following review helpful. Lovely and cheerful By Booklady I've been using these as "get well/cheer" cards and they always produce positive comments. They are colorful and cute, not as elaborate as the Robert Sabuda cards, but well worth the cost to bring a smile to others. The seller who provided this to me-- Pandora' Box, was super fast and efficient-- would definitely use again-- Thanks to for helping me bring cheer to the sick!! 0 of 0 people found the following review helpful. and they have remarked how nice they are By barbara ambler have sent these out to a few people already, and they have remarked how nice they are. a little extra instead of just a card. nice.

These pop-up notecards spread instant floral cheer! Featuring stunning artistry from the author of Paper Blossoms, this exquisite collection includes six beautiful flower notecards in different colors.
