**Mary Beth Cryan : Paper Craft Crazy Critters (Papertoy Models, Origami)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paper Craft Crazy Critters (Papertoy Models, Origami):

0 of 0 people found the following review helpful. Five StarsBy jpExcellent!!0 of 1 people found the following review helpful. Hours of funBy Emma's grandmaI just purchased this to do with my 7 year old grandchild when she comes to visit. We had fun reading the book. Each critter has a comment. We assembled a few of the critters together, andthen she played with them. We're looking forward to making more on her next visit. 10 year olds could do this on their own and adults that just want to have fun would enjoy this.

Crazy Critters are roaming the earth, looking for a home. Won't you adopt them? Meet 24 wacky creatures in this fun paper craft activity book and bring them all to life! From Captain Crabby to Which Way Wanda, follow the step-by-step instructions to create zany 3-D models for play and display!Paper Craft Crazy Critters is packed with colorful

punch-out creatures and complete instructions for assembling them into 3-D models. Kids will have hours of fun crafting these kooky critters! Illustrations are provided for most of the steps to help kids along. Sturdy paper is perforated and scored for convenience. No cutting necessary. Just punch out the shapes, fold, and glue! Ages 8 and up. 96 pages. Covered wire-o bound. Warning: Choking hazard, small parts. Not for children under 4 years. Artist Mary Beth Cryan is an award-winning illustrator who specializes in paper engineering. She has created 3-D titles for American Girl and Dover, and a pop-up card for the Museum of Modern Art in New York.
