Thanks Kitty Moore! I look forward reading more creative work from you." -- Kath Pinter "I really like the fact that the book is general and not holiday specific. It gives me some ideas of what I can do for specific holidays. When people receive a handcrafted gift, it's more personal and shows how much people care. There's an easy step by step guide for the crafts. I would definitely recommend this book for anyone. Those who love to craft would really enjoy this book as well. Well organized and well written. Whether it's crafting, decorating my home, or helping my kids with school projects I enjoy expressing myself. I believe it's my duty and my obligation to inspire others. I hope that others can take these ideas I have put out, and mold them to fit their own. "In crafts there are no mistakes. It is your own unique creation."
