Steve Biddle, Megumi Biddle : Paper Creations, Cards and Gifts: Over 30 Paperfolded Designs Featuring Origami, Iris and Teabag Folding before purchasing it in order to gage whether or not it would be worth my time, and all praised Paper Creations, Cards and Gifts: Over 30 Paperfolded Designs Featuring Origami, Iris and Teabag Folding:

0 of 0 people found the following review helpful. Wonderful bookBy SwyWonderful book!1 of 1 people found the following review helpful. Nice book to have in my collection.By Lois K. HillI purchased this book for the iris and teabag folding ideas. There is everything from simple designs to more complicated. This book is not for a beginner, because some of the projects are quite complicated. It is a nice book to have in my collection, but I am not sure how many of the projects I will actually make.0 of 0 people found the following review helpful. Four StarsBy Carolgood

book, but really prefer embroidery on cards better. Not what I thought it would be

Discover the fascinating and precise craft of paperfolding, and create amazing gifts and cards for any occasion. Take paper to new dimensions, literally, by turning flat sheets of tissue, patterned, textured and metallic papers into lasting, three-dimensional gift boxes, bags, floral arrangements and decorative displays. Once the basic folding techniques have been mastered, even novice papercrafters can follow the clear, specially drawn step-by-step artworks that show how to complete each project, including styles such as iris folding and origami. More experienced crafters will find plenty to inspire, as each project is packed with design variations and ideas. From fun-to-make Christmas and Halloween cards and gifts for christenings and Mother's Day, to packaging for all kinds of occasions that demand an extra-special touch, everyone will love to receive a paperfolded keepsake.

About the Author Steve Biddle studied in Japan with top origami masters. He is also an entertainer and a member of The Magic Circle. Megumi Biddle is a talented graphic artist, designer and illustrator. Steve and Megumi have written over 10 origami craft books. They live in Hastings, East Sussex.
